FOREWORD

As our 12th year at Handley draws to a close, we realize that our carefree childhood is over, and we must be ready to accept responsibilities of the adult world. Upon our commencement we remember our days at Handley and deeply appreciate the role Handley has played in preparing us for the years ahead.

And so, presenting a glimpse of our past school years, we're off to the **CIRCUS!**

DEDICATION

In the year 1955, we, the Class of 1960 saw ourselves becoming an organized class at Handley. We were a group of enthusiastic, yet unsure eighth graders who had spirit and potential, but needed competent guidance. This we soon found in the willing assistance of our newly elected sponsor. In all class projects and undertakings, this sponsor was an invaluable inspiration to us. For three years she gave generously of her time and efforts, doing all in her power to help all of us develop into independent young adults. She was truly one of us.

So, because of your inestimable contribution to the advancement of our class, and your sympathetic understanding, we, the Class of 1960, are very proud to dedicate our HANDLIAN to you, who have been our teacher, sponsor, and friend,

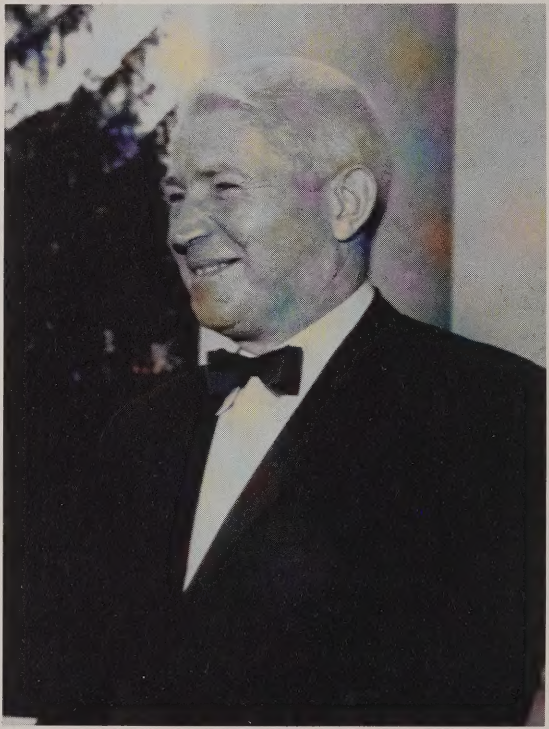
ADMINISTRATION

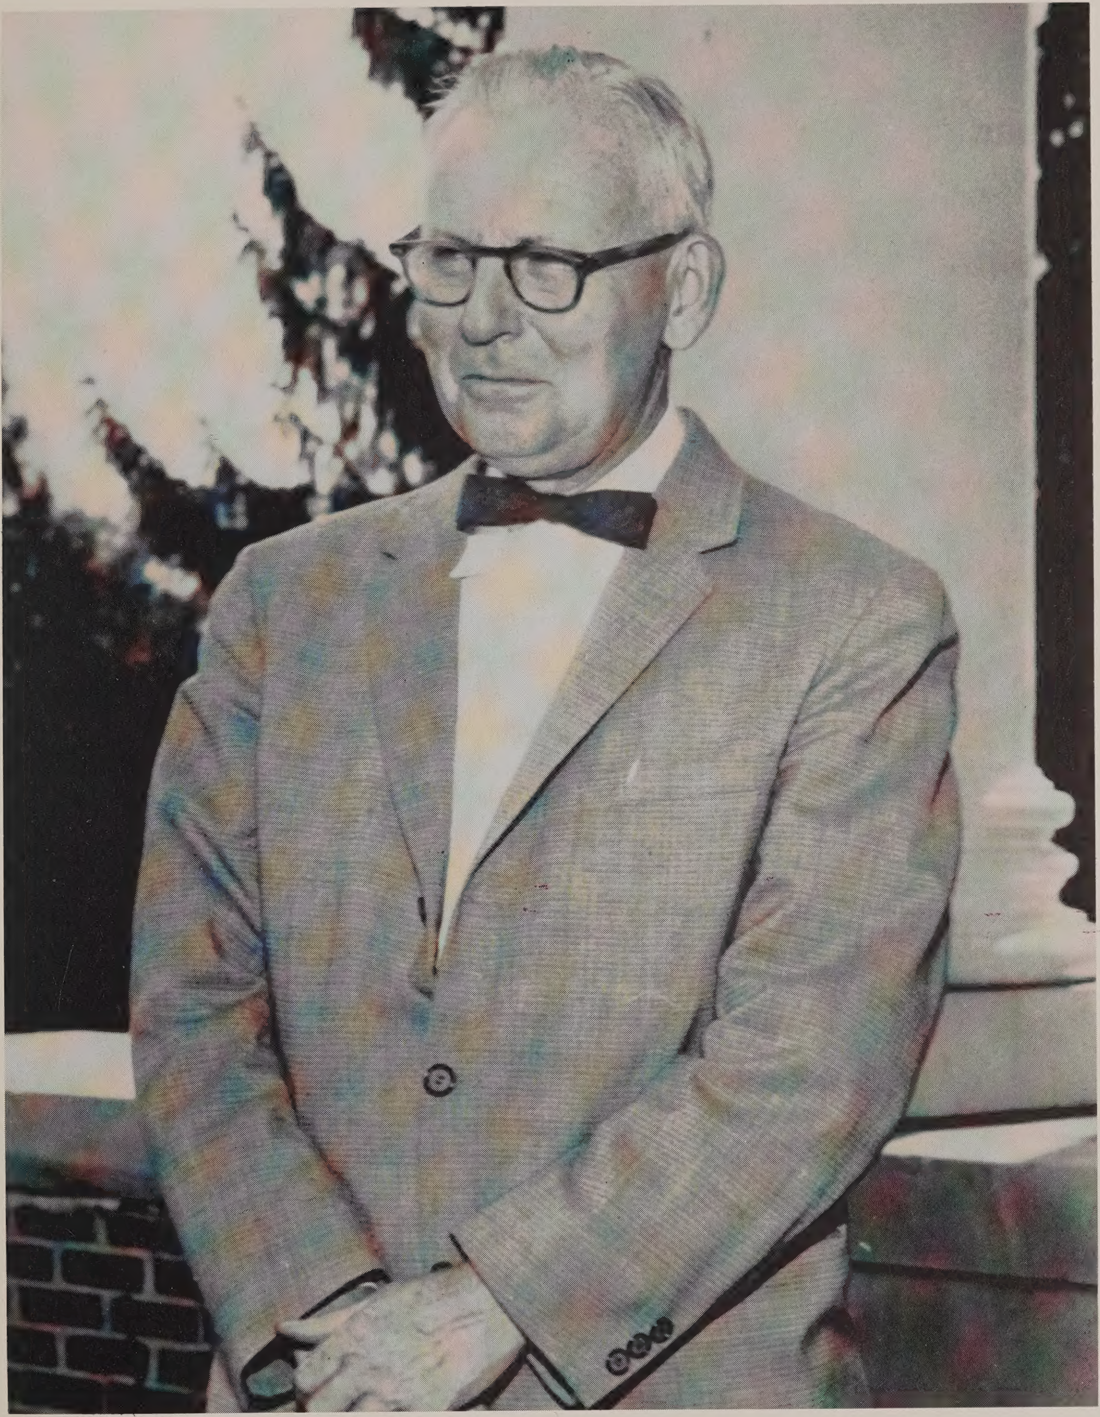
MRS. PEERY

Mrs. Peery, our guidance counselor and director of Junior Red Cross activities, has been most helpful to us. She has been very patient, understanding, and friendly to each one of us. Her constant smile has never failed to encourage us in all our undertakings at Handley.

MR. FRY

As our assistant principal, Mr. Fry has always been very helpful and most understanding. He has encouraged us in all our attempts, and has been a great inspiration for us. He has been friendly and kind to each one of us, and has helped in every way to make our Handley life a wonderful experience to remember.





DR. QUARLES

Dr. Quarles has been more than a superintendent to us. When we think of Dr. Quarles, we think of a versatile man. He has been our HANDLIAN advisor, teacher, and counselor. He has had a great influence on our lives, and has led us to try to achieve high standards, which will be invaluable to us in the future.

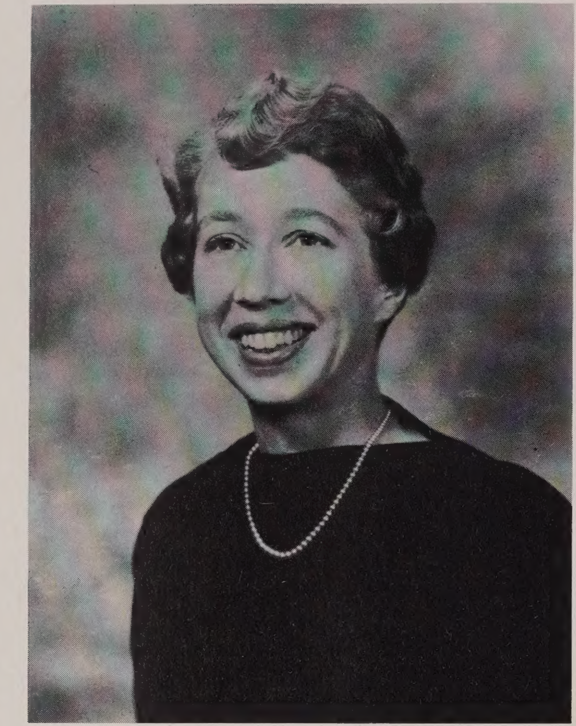
SENIORS

SENIOR SPONSORS



MRS. HOHANNES

The Senior Class of 1960 owes to Mrs. Hohannes its most sincere thanks and gratitude. We appreciate her willingness to help and counsel us in all our undertakings. In joining us in our junior year she was faced with the tasks of advising the Junior Stand and Junior Play; and thanks to her diligent spirit we have made our way through these last two busy years of activities. The Class of '60 will always remember her for the help given us so freely.

MR. CRAIG

Whenever we were having trouble we turned to Mr. Craig and always found a smiling face and an understanding man. He has shown an abundance of patience and has put forth a great deal of work in making the undertakings of the Class of '60 a success. To him go our warmest thanks and deepest gratitude, for without his assistance we would never have made it through these last two years of our high school careers. He, too, will never be forgotten by the Class of '60.

CLASS HISTORY

September 9, 1948 was a day which most of the world would "little note nor long remember," but to a certain group of wide-eyed and apprehensive six-year-olds it was a day of momentous importance. This was the date of their entry into the mysterious realm of formal education. The first chapter in the history of the Class of 1960 had begun.

It was not without anxiety that we faced this new adventure, some at John Kerr and some at Virginia Avenue. We watched with wistful eyes as our parents departed, and we were left to face this strange new world alone. However, our fears were soon dispelled 'mid the excitement of the occasion; the new faces, the novel atmosphere, the spontaneous friendships and, most of all the new found sense of self-importance. We were first-graders!

During our first three years of school, in mastering the finer arts of "readin', writin' and 'rithmetic," we built a strong foundation for the years ahead. It was during this period that we learned to practice application, respect, good sportsmanship and discipline. (Who can ever forget the dread "bad box?") New friendships which were to endure throughout the long years ahead were found and the fierce competition of the recess-period activities developed our competitive spirit. (Anyone for marbles?) Add to all this the spine-chilling suspense of "report card day," and you catch a glimpse of our growing sense of responsibility; our growing awareness of the magnitude of all that lay ahead.

The year 1951 represents another milestone in the annals of the Class of '60. How high the tilt of our heads, how straight the line of our shoulders, as we proudly entered the halls of Handley. At last we had arrived! Now we too were an integral part of the life of Handley school.

It was with a growing sense of maturity that we entered Junior High School. Now we changed classes and were represented by fellow classmates in the General Organization as were the upper classmen! One new "privilege" that was ours went unappreciated by many of us, we took our first exams. Boy, what a relief when they were over! In the eighth grade we elected Joey, John and Joyce as our first class officers, and Miss Yook and Mr. Headley were chosen to be class sponsors. For the first time we were the hosts at a school party and our "Recordrama" was acclaimed by all to be a complete success.

September 4, 1956 was another "Red Letter Day" in the history of our class. We entered senior high as Freshmen. By now the Class of "60" had begun to show its capabilities, as the faces of its members were appearing on the athletic fields and in various school organizations. This was an important year in our history, for now we had to decide which of the several courses of study we were to follow throughout our remaining years in high school. Then the next year for our tenth grade party we really outdid ourselves in creating a carnival atmosphere in the gym. The decorations for "Carousel" were said to be among the prettiest ever seen at a school party.

Many challenges awaited us as we entered our Junior year; these challenges were met and passed with "flying colors." The boys and girls of the class turned out in fair weather and foul, to make our Junior Stand one of the most profitable in the history of the school. The time and effort we

CLASS HISTORY

spent in preparing and presenting our Junior Play "A Command Performance," did not go unrewarded. We had the audience "rolling in the aisles" at Handley, and took first place in the district One Act Play Contest at Dayton. Once again we were given the opportunity to display our creative ability. Proms were approaching and we were busy converting the gym into an "Oriental Holiday," as the setting for this highlight of our year. Later, as many of us watched the Baccalaureate and Commencement services of 1959 while serving as ushers, we began to realize for the first time that in just one short year we too would be waiting anxiously to hear our names called as the recipients of diplomas. It seemed unbelieveable!

At last our big year began and now we knew how it felt to be "up front." We wore our senior rings proudly and with John, Terry and Carolyn serving as capable class officers, and Mr. Craig and Mrs. Hohanness as dedicated class sponsors, we eagerly planned what was to be our best year of all. In the fall, under the leadership of Danny and Glenn, we began work on our pride and joy, the 1960 HANDLIAN.

Almost before we knew it, it was Christmas. Those of us attending the Christmas Concert were even more deeply moved as we realized that we were observing our last Christmas as students of Handley.

With vacation over we settled down in earnest. The first big project facing us was our senior play. We all worked like beavers in staging and producing "More than Meets the Eye," the final verdict of the audience being, "Bravo!" It was with mixed emotions that we attended the Senior Prom, the Baccalaureate Sermon, and finally graduation exercises. This was the climax! This was the night of nights—we were graduated!

Now the History of the Class of 1960, as such, is complete. Now, as individuals, we chart our future courses. But it is with high hopes and self assurance that we face our destinies, for we carry with us knowledge, honor, and courage. The knowledge, honor, and courage, which has been instilled in us by the many, many who have influenced our lives here at Handley: Dr. Quarles; Mr. Fry; Mrs. Perry; our teachers and coaches, and above all others our untiring sponsors, Mrs. Hohanness and Mr. Craig. We are grateful to all of you!

CLASS POEM

THE BEGINNING

Virginia Sturm

After twelve years at Handley, I pause at the door,
And look back at my memories just one time more.
I see my school, her traditions fine;
I sense her wisdom, which now I hope is mine.

I'm grateful for this, and the friends I've made there;
The heartaches and joys that I've learned to share.
We've worked together, and we've all had fun,
But the time for standing alone has begun.

Now poised, eager, anxious to start
In the stream of life to take my part;
I stand waiting, thinking, of what is to be;
Wondering what the world will expect of me.

Like the bold young bird, leaving its nest,
I am just beginning to try the test;
Not quite certain if my wings will hold,
Not quite sure what the future will unfold.

Like the fresh young flower, budding into bloom,
Filling the air with its sweet perfume;
May I lead my life in just that way,
That the odor of goodness will scent each day.

And such are the thoughts that arise in my heart
As I stand here waiting the time to depart;
But I'll not be afraid to travel ahead,
For I'm ready now, my own way to tread.

JUNIOR STAND

It takes money to put on all of our class projects, and thanks to this group we have an ample treasury. With plenty of hotdogs, pop and candy, they invaded the crowds at every football game and turned on all their salesmanship. When the game was over, they covered the grounds and picked up all the paper left by the crowd.

We owe our thanks to those who worked on the Junior Stand for all their hard work.

SENIOR PLAY

This year the Senior Class of 1960 presented a hilarious comedy entitled, "More Than Meets the Eye," by Fred Carmichael. The cast and all the committees worked especially hard for its reward —a successful performance greatly enjoyed by everyone.

The play concerned a male author of children's books who wrote under the pen name of "Grandman Letty." Many comical situations arose when he tried to conceal his true identity from the public.

Superb acting and co-operation by the cast made "More Than Meets the Eye" a play long to be remembered.

JUNIOR PLAY

In our Junior year, we laughed and cried our way through our "Command Performance." It first received acclaim from the student body, then won "distinguished" rating in district competition and represented our area in the State Play Festival.

This year's Junior Class, the Class of 1961, has completed the hardest working year of its school life. Its first important project was the Junior Stand. Under the capable direction of their sponsors and co-chairmen, the Juniors earned approximately eight hundred dollars by selling refreshments at home football games. Other money was added to their treasury by the selling of forget-me-nots for the D.A.V.

As soon as they had sold the last bar of candy from the Junior Stand, a committee was selected to start looking for a suitable one-act play to present for the student body. After many trying rehearsals, their play *Spreading the News,* was termed a huge success.

The last major undertaking of the Juniors was the decoration of the gymnasium for the proms. After many hours of hard work, prom night arrived, and everyone entered a gym beautifully decorated.

Near the beginning of May, the Juniors elected the Editor-in-Chief and Business Manager of the HANDLIAN for 1961. They also elected their officers for their Senior year and chose their class colors, motto, and flower. Finally, ordering Senior rings climaxed this busy year.

Every Monday, Wednesday, and Friday the members of the Chapel Committee see that the morning devotional program is set up. The student body, by maintaining a quiet reverent attitude and by participating in these services, has made it possible for the Chapel Committee to do a fine job throughout this year.

HOMEROOM PRESIDENTS

Each homeroom elects a president to preside over business meetings and to take charge in the absence of the homeroom adviser. On Parents' Night, these students assist their advisers in greeting parents. These officers are another fine evidence of self-government at Handley.

1959 LITERARY TEAMS

Handley scholars who excel in English, public speaking, and prose reading participate annually in the District Forensics. The students spend almost two months in preparation for this one meet; however, through their training and experience, they feel the work is entirely worth it. Such inter-school activities broaden our scope and help us see our standing among our fellow schools. Last year, Ellen DuPuy won first place in poetry reading and went on to the state contest!

BOOSTER CLUB

The Booster Club is active the whole year round. With each season come new projects and undertakings.

In the summer, Booster Club girls are busy soliciting ads for the football programs which they sell at the home games. The money they make is used to defray the team's expenses.

When school starts in the fall, they begin their weekly publishing of the "*Junior Evening Star*". They operate a second-hand bookstore to help students buy and sell their used books. The club sponsors an assembly in the fall to acquaint students with the various school organizations and their officers. When College Day is held, Booster Club girls are on hand to serve as messengers or guides.

At Christmas time, the club places a Christmas card box in the main hall and distributes the mail to each homeroom. To stimulate a greater interest in the literary field, a spelling bee and literary contest are held.

Late in the spring, the Booster Club awards a silver loving cup to the homeroom that presented the best assembly during the year. As the school year closes, the Booster Club begins all over again by taking in new members. Eligible for membership are girls who have earned the required number of points in the fields of scholarship, leadership, and citizenship.

The Booster Club works in a continuous cycle, lending its cooperation and assistance wherever it is needed.

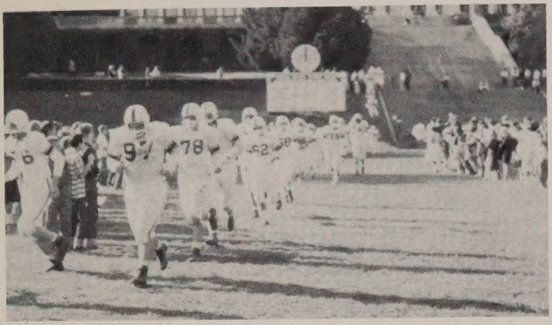
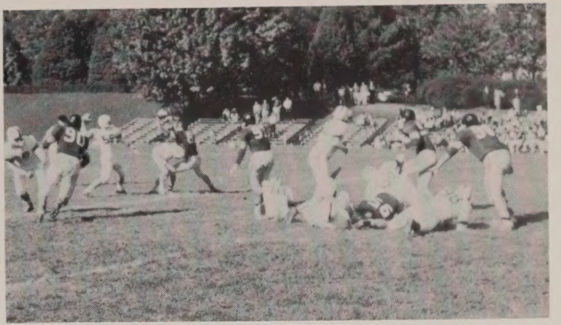
1959 FOOTBALL SEASON





FAIRFAX

Handley journeyed down Washington way to open the first part of their 1959 season. The team was largely dominated by Freshmen and Sophomores who had had little experience in Varsity games. The team developed its timing and movements to a greater degree as the season went on. Although this year's schedule proved to be very tough, giving us a 2-5-2 record, the next few seasons should prove to be very successful if the boys continue to improve as time goes on.

Although the boys were inexperienced, they made a very good showing against the Fairfax squad. The smallness of the squad, which numbered about twenty-five, was the major factor in the 14-0 loss suffered by the Judges. While Fairfax substituted freely, giving their boys a rest, we didn't have the players to substitute and their two-platooning wore our boys down. Handley moved the ball well but 3 of their drives stalled inside the 10 yard line. One T.D. was called back because we were off-sides. During the third quarter the Rebels scored twice.

Eddie Dickson's performance showed that he would be the worker in the backfield. The Rebels had a tough time penetrating Handley's forward wall. McLaughlin, Merriner, Adams, Bumgardner, and Ashworth had good nights and showed that the defensive line would be a tough outfit to run against.

LEE

A moment of indecision cost us this game with Lee. Their lone touchdown was scored when one of Gary Keiter's punts took a backwards bounce. During this sequence of a few seconds no one recovered the loose ball and a "Lee Man" broke through and picked up the ball on the "dead" run. He had no trouble going all the way down the field for a 60 yard score. Once again the defensive unit held its own, but the offense just wouldn't click. Clevenger, McLaughlin, Merriner, Adams, Bumgardner, and Hinkle in the line had a good day, but it just wasn't a successful effort by every team member.

FREDERICK

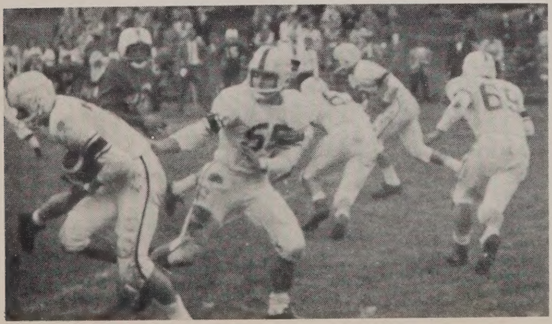
Handley once again looked good on defense, but we just lacked that old touchdown punch as Frederick edged us, 6-0. Our running game looked much better this time. Eddie Dickson, our worker, gained 60 of our 91 yard total, thus proving his importance to our team. The pass defense and our ground defense looked good. The T.D. came on a 34 yard halfback reverse. Keiter's punting looked great. The team as a whole had the best night of the season, thus far.

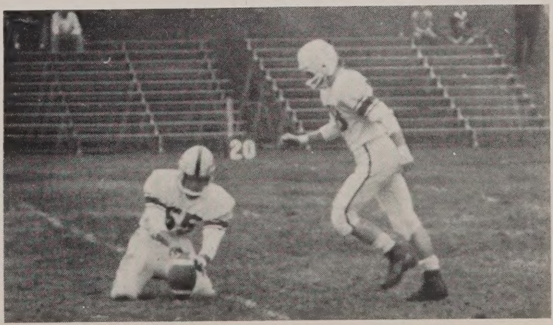
FORT HILL

The Sentinels were just too much to handle as they managed the better end of a 13-0 score. We just couldn't move the ball efficiently against the "Red Wave" of Fort Hill. Dickson had a great day along with several linemen.

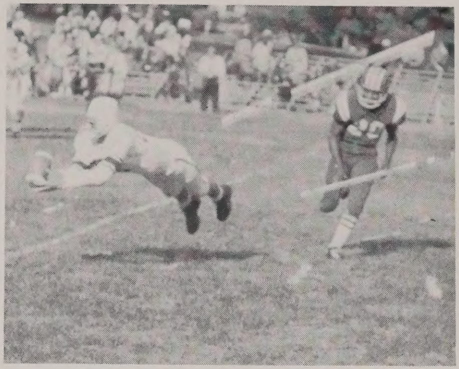
WESTMINISTER

This was definitely not Handley's day for a victory. On the first play from scrimmage Westminister threw a pass for a T.D. only to have it called back. They scored again three plays later. The Owls continued to score almost at will; their excellent pass offense surprised us since we were anticipating a strong running game and they topped us 35-0. Steve Adams was the outstanding lineman of the day and Gary Keiter's punting looked very good.





1959 FOOTBALL SEASON



HOMECOMING GAME — BROADWAY

As the sign on the scoreboard said, "We finally did it!" this game contained two firsts, one, we scored our first touchdown and two, we won our first game of the season. One T.D. came after a 40 yard drive with Dickson scoring from the 1 foot line. Both teams seemed to drive very well, but "fumbleitis" stopped any further threats of scoring by either team. There was not a great deal of magnificent play because the Judges did not play up to par. Ginger Lillis was crowned Homecoming Queen during the half.

SOUTH HAGERSTOWN

In this game the Judges finally showed what they could do. Although South Hagerstown took an early 7-0 lead and held it until late in the second quarter the Handley boys took a punt return all the way. Charlie Glover walked the chalk line for a 47 yard scamper. Handley led 7-6 at half. Late in the third period Eddie Dickson returned another punt 51 yards and was stopped from behind on the fourth yard line. Eddie drove it down to the second yard line and Charlie Glover carried it over for the 13-6 score, his second for the day. Jock Rosenberger had his best day of the year and Keiter helped to keep South High bottled up with his long punts. For the first time this season the boys moved the ball like a well organized unit.

HARRISONBURG

The Judges journeyed down the valley to meet an extremely "fired up" ball club. On the 3rd play of the game Harrisonburg showed what they wanted when they broke up the middle for a 51 yard touchdown play. They missed the "point after". Handley staged a comeback drive of 60 yards with Dickson scoring on a 34 yard jaunt, missed the point after and the score was tied 6-6. Late in second quarter Harrisonburg scored again and made the "point after". Thus, with the score 13-6 in favor of the Blue Streaks, the half ended. In the second half Handley played excellent ball, holding the Blue Streaks to less than 10 yards, net on the ground. In the final period Rosenberger scored our second T.D., Richard Ryan made the extra point and the game looked good in the backfield. The entire line played great ball the second half but we won't say much about the first half (pro or con).

MARTINSBURG

Handley again faced an extremely enthusiastic team as was shown when the Martinsburg scored twice in the first quarter. The Bulldogs held their lead of 13-0 until Eddie Dickson returned a punt to put Handley in the scoring column. Adams and McLaughlin threw two beautiful blocks that freed Dickson on our first tally. With eleven seconds remaining in the second half Handley pulled the game out of the fire by scoring our second touchdown. The "point after" was missed and the game ended in a 13-13 tie. Several Handley drives "stalled out" inside the 15 yard line, 5 of them in fact. Again the boys showed what they could do by coming from the short end of a 13-0 score in the first half to the final score 13-13. This was the last game of football for Seniors Steve McLaughlin, J. T. Clevenger, Jerry Grimes, John Merriner, Jock Rosenberger, Eddie Dickson, Gary Keiter, Richard Ryan, Harry DeSchon, and Jock Chamberlin.

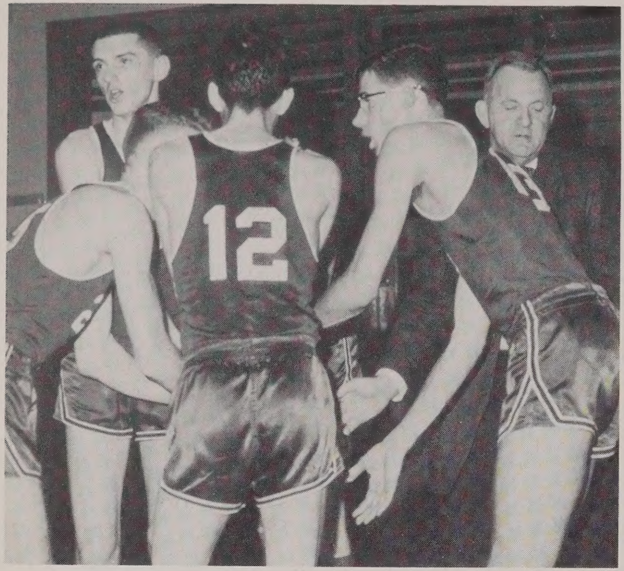
1959-'60 BASKETBALL SEASON



On to Broadway! This perfect ending for a very successful season was the result of hard work and desire that made it so. Having lost only one league game to Montevideo, by a narrow margin of two points, we outscored our opponents by a margin of 326 points for the entire season. In 16 games, Handley scored 987 points as to our opponents 661 points. The high scorers of the year were Philip Newcome with 263 points, Richard Aman with 238 points, Donnie Hambleton with 215 points, and Harry Newlin with 149 points.

When these boys stepped out on the floor, the Winchester fans were sure to see some of

the best basketball Handley could produce. The performance of this ball club was the result of many factors. Some are obvious such as coaching, teamwork and ability. Some are obscure such as the invaluable "red shirts," and the boys' inner closeness as a team.

The season ended with a hard fought tournament game at Broadway against Stonewall Jackson, giving us an overall 15-2 record. The boys gave it all they had and deserve a lot of credit for a great season.

JUNIOR VARSITY FOOTBALL

The 1959 Junior Varsity football squad possesses great potential, and if this potential is realized by these boys and is developed, the Handley Varsity teams of the near future will become tough teams to beat. Boys included in the J. V.'s are seventh, eighth, and ninth grades. During their season they won two games and lost four games; however, in these games they gained an invaluable thing, experience. We would like to wish these boys and the ones who will follow them the best of luck in their future years of football.

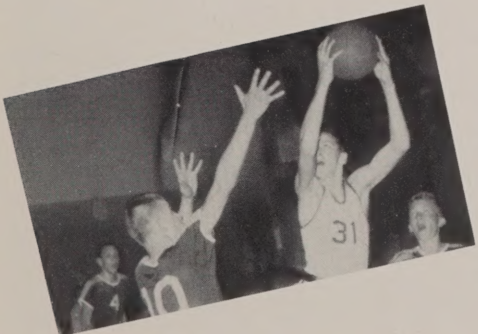
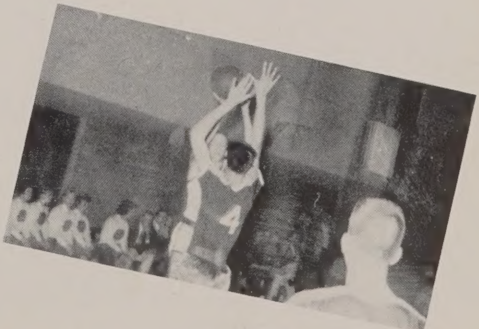
JUNIOR VARSITY BASKETBALL

The J. V. Basketball team is made up of boys from the eighth through the tenth grades.

Along with the helpful experience gained, these boys learn to work as a unit learning teamwork and good sportsmanship during these years, the future varsity squad of Handley looks like a killer, as they chalked up a fine 9-3 record.





Joyce Lake, Roonie Largent, Carol Jean Smalts, Jayanne Haines, Nancy Bell, Cindy Miller

VARSITY CHEERLEADERS

The Varsity Cheerleaders, chosen from the tenth, eleventh, and twelfth grades, lead us in rousing cheers to build up team spirit and urge our teams on to victory. In addition to cheering at football and basketball games, they sponsor pep rallies during the football seasons.

JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders, chosen from the seventh, eighth, and ninth grades, lead the cheers for our Junior Varsity football and basketball teams. They also help to lead cheers at pep rallies.

GIRLS' ATHLETIC DIRECTORS AND ASSISTANTS

Our girls' athletic directors, Mrs. Jack and Miss Snellings, are to be commended on an outstanding job with the girls' athletic program and girls' physical education classes. Aside from their teaching duties, they are the sponsors of the Girls' Monogram Club and the Varsity cheerleaders.

At the beginning of the year, Mrs. Jack and Miss Snellings choose girls from each Physical Education class to assist them in instructing their classes. These girls deserve a lot of credit for their hard work throughout the year.
